HMIS Client Consent form

Welcome to the Orange County Continuum of Care, and a project participating in the Orange County HMIS (OC HMIS)! HMIS stands for **H**omeless **M**anagement **I**nformation **S**ystem, and it is a secure database used to collect and store information about clients served at this agency.

In Orange County, all agencies that participate in entering client data in HMIS share that data with each other. This means that if you complete a program participating in the OC HMIS and later need assistance at another program that also participates in the OC HMIS, staff at the second agency will search for your name and find your profile. Then you will be asked to confirm your existing information in HMIS (like your name, date of birth, and social security number). The second agency will be able to see what kind of services you've received in the past.

If you would like to see the list of the agencies that participate in the OC HMIS, please visit ochmis.org > [About HMIS > Contributing Agencies](#) or ask the agency you are receiving services from for a list of the [Agencies Currently Contributing data to HMIS](#). Please note that the list of agencies contributing data to HMIS can change frequently and without notice, and therefore the website should be consulted for the most recent list.

Because the OC HMIS contains such sensitive data Orange County takes your privacy very seriously. **The following protections for your data are in place:**

- Individual client data is only viewable by qualified staff at each participating agency.
- In order to participate in the OC HMIS, leaders at each agency must sign an Agency Agreement that includes a commitment to protecting client data and maintaining confidentiality.
- In order to use HMIS, agency staff must pass multiple trainings that each go over the importance of client privacy.
- The OC HMIS is hosted on a secure server and data is encrypted. This means that anyone attempting to "hack into" HMIS will only see gibberish, never any client data.

What information is shared in the HMIS database?

If you feel any of your rights outlined in this document have been violated, please contact (714) 589-2360.

- Your consent permits any participating organization to add to or update your information in HMIS, without asking you to sign another consent form. This consent form is valid for seven (7) years after the signature date.
- You may revoke your consent at any time, but your revocation must be provided either in writing or by completing the Revocation of Consent form. The agency you are receiving services from must make this form available to you if you ask, and it should be out and available for you to take from the office or facility you receive services from. Upon receipt of your revocation, we will remove your PPI from the shared HMIS database and prevent further PPI from being added. The PPI that you previously authorized to be shared cannot be entirely removed from the HMIS database and will remain accessible to the limited number of organization(s) that provided you with direct services.
- Participating agencies are required to post a Privacy Notice at each location where intakes are completed. You should be able to see this notice, which contains more detailed information about how your information may be used and disclosed. - You have the right to request, in writing, the following pieces of information within five (5) business days of your request:
 - A correction of inaccurate or incomplete PPI

- Aggregate or statistical data that is released from the HMIS database will not disclose any of your PPI.
- You have the right to file a grievance against any organization whether or not you sign this consent. The Client Grievance Form should be out and available for you to take from the office or facility you receive services from.
