- HIC and Sheltered PIT reviewing process has been finalized!
- We are currently submitting data to HUD
- You will receive a copy of your final HIC data for your review
- Final deadline to HUD is June 30th
- Thank you!
Follow-up on Monthly Training Webinar

May User Webinar Survey still available!

Next HMIS Training Webinar will be on July 23rd from 10:00 am - 12:00 pm

Quarterly Training Schedule:
- July - Looker Training
- Aug. - CES Training
- Sept. - Agency Admin/ Data Quality
- Oct. - HMIS Part 2
Can you take on Project Performance corrections at this time?
Unit Address information will be added to FEMA/NCS project screens to be copied into Unit Address fields.
Case note fields in Looker have been updated to differentiate between “Client Level” and “Enrollment Level.”
Thank you for your participation!

The results will be reviewed and next steps will be presented at the July HMIS User Webinar.
