Orange County Street Outreach Goals & Outcomes

06/1/2020 to 05/31/2021

Street Outreach projects in the Orange County Continuum of Care (CoC) met **3 out of 4** thresholds as a project type.

Goal 1 - Prioritize Clients Experiencing Literal Homelessness

Goal 1 Scores Threshold: 100%						
Project Type Score 97%	Chronically Homeless 100%	Veterans 98%	Households with Children 97%	Households without Children 98%	Households with only Children 93%	
<i>n</i> = 8,210	<i>n</i> = 3,340	<i>n</i> = 298	<i>n</i> = 131	<i>n</i> = 6,910	<i>n</i> = 43	

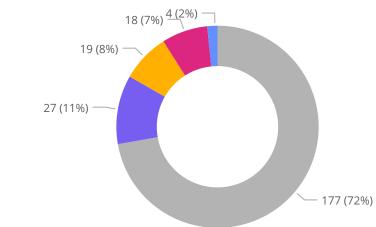

Orange County CoC Goal: 100% of heads of household enroll in Street Outreach projects from homeless situations.

Why? Enrolling clients from literal homeless situations is important because clients experiencing literal homelessness are among the most vulnerable of all Orange County residents experiencing homelessness.

Goal 2 - Decrease Length of Stay in Temporary Shelter & Outreach

Goal 2 Scores Threshold: <=65 Days						
Project Type Score 65	Chronically Homeless 86	Veterans	Households with Children 64	Households without Children 75	Households with only Children 9	
n = 8,622	n = 3,472	<i>n</i> = 305	<i>n</i> = 455	<i>n</i> = 6,994	<i>n</i> = 45	

Orange County CoC Goal: Street Outreach project enrollments are no longer than 65 days from project entry to project exit.

Why? Clients in Street Outreach projects are experiencing literal, unsheltered homelessness, which makes this population particularly vulnerable. Although the purpose of Street Outreach projects is to provide critical services to clients who are "unwilling or unable to access emergency shelter, housing, or an appropriate health facility," the ultimate goal of Street Outreach projects is to move people to sheltered or permanent housing situations.

Goal 8 - Help Clients Exit to Successful Housing Situations

Goal 8 Scores Threshold: >=15%						
Project Type Score 35%	Chronically Homeless 48%	Veterans 47%	Households with Children 57%	Households without Children 41%	Households with only Children 2%	
n = 7,532	<i>n</i> = 2,896	<i>n</i> = 256	<i>n</i> = 367	<i>n</i> = 6,031	<i>n</i> = 43	

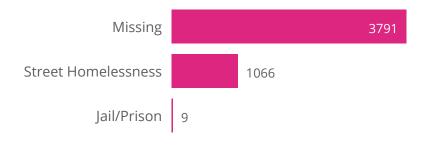

Orange County CoC Goal: At least 15% of Street Outreach enrollments exit to a successful situation.

Why? Because clients in Street Outreach projects are experiencing literal, unsheltered homelessness, it is important to provide people with sheltered situations.

Goal 10 - Ensure Clients Do Not Fall Back Into Homelessness after being Housed

Goal 10 Scores Threshold: <=12%							
Project Type Score 2%	Chronically Homeless 4%	Veterans	Households with Children 0%	Households without Children 3%	Households with only Children N/A		
<i>n</i> = 189	<i>n</i> = 78	<i>n</i> = 12	<i>n</i> = 37	<i>n</i> = 151			

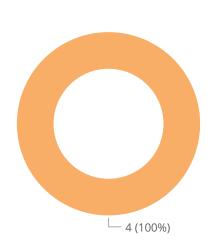

Orange County CoC Goal: No more than 12% of clients who exit from a Street Outreach project to a permanent housing destination subsequently return to homelessness.

Why? Returning to homelessness after being placed in a permanent housing situation is traumatizing for clients.

Efforts to make sure clients can maintain the permanent housing situation they are exited to should be prioritized. In addition to being a traumatic experience for clients, re-housing clients who could not maintain the permanent housing situation they were exited to represents resources spent on the same client that could have been used to place another client into permanent housing.
