

Data and Performance Management Meeting

4/14/22

- Agency Set-Up Review
 - 211OC presented a new Agency Set-Up Review dashboard, which will allow agencies to review how their projects are set-up in HMIS. The dashboard includes Program Descriptor Data, Funding Sources, and Bed Inventory information. The finalized dashboard will be shared at a future HMIS User Meeting.
 - The Committee also shared feedback on the HIC and Sheltered PIT data collection process.
- Permanent Supportive Housing/Other Permanent Housing Project Performance Reports
 - The Committee reviewed how PSH/OPH projects are performing for each measure, including how special populations are performing.
 - The measures below were added to the PSH/OPH reports.
 - Goal 11 - Receive Referrals from the Coordinated Entry System: This measure is determining the percentage of new enrollments that were referred from the Coordinated Entry System.
 - Goal 12 - Limit the Referrals from the Coordinated Entry System that are Denied by Housing Providers: This measure is determining the percentage of denied referrals that were denied by the Housing Provider.
 - Goal 13 - Accept Matches from the Coordinated Entry System Quickly: This measure calculates the number of days between the date the household was matched to a housing opportunity and the date they were enrolled in the housing project.
 - Goal 14 - Successfully Match Households to a Housing Provider: This measure calculates the percentage of referrals that resulted in a housing enrollment.
 - The project scores for CoC-funded Permanent Supportive Housing projects will be used as part of the ranking criteria in the upcoming CoC NOFA process.
