

# Orange County Street Outreach Goals & Outcomes

06/01/2021 to 05/31/2022

Street Outreach projects in the Orange County Continuum of Care (CoC) met **3 out of 4** thresholds as a project type.

# Goal 1 - Prioritize Clients Experiencing Literal Homelessness

Goal 1 Scores					
Threshold: 100%					
Project Type Score	Chronically Homeless	Veterans	Households with Children	Households without Children	Households with only Children
91%	100%	96%	95%	91%	68%
n = 15,286	n = 4,905	n = 398	n = 179	n = 9,835	n = 130

**Orange County CoC Goal:** 100% of heads of household enroll in Street Outreach projects from homeless situations.

**Why?** Enrolling clients from literal homeless situations is important because clients experiencing literal homelessness are among the most vulnerable of all Orange County residents experiencing homelessness.

## Enrollments by Non-Homeless Entry Category

- Temporary Situation
- Permanent Housing Situation
- Missing
- Institutional Setting
- Family/Friends

# Goal 2 - Decrease Length of Stay in Temporary Shelter & Outreach

Goal 2 Scores					
Threshold: <=65 Days					
Project Type Score	Chronically Homeless	Veterans	Households with Children	Households without Children	Households with only Children
43	64	72	61	53	12
n = 16,020	n = 5,281	n = 405	n = 638	n = 10,105	n = 133

**Orange County CoC Goal:** Street Outreach project enrollments are no longer than 65 days from project entry to project exit.

**Why?** Clients in Street Outreach projects are experiencing literal, unsheltered homelessness, which makes this population particularly vulnerable. Although the purpose of Street Outreach projects is to provide critical services to clients who are "unwilling or unable to access emergency shelter, housing, or an appropriate health facility," the ultimate goal of Street Outreach projects is to move people to sheltered or permanent housing situations.

## Enrollments by Length of Stay

## Goal 8 - Help Clients Exit to Successful Housing Situations

**Orange County CoC Goal:** At least 15% of Street Outreach enrollments exit to a successful situation.

### Enrollments by Unsuccessful Exit Category

**Why?** Because clients in Street Outreach projects are experiencing literal, unsheltered homelessness, it is important to provide people with sheltered situations.

## Goal 10 - Ensure Clients Do Not Fall Back Into Homelessness After Being Housed

**Orange County CoC Goal:** No more than 12% of clients who exit from a Street Outreach project to a permanent housing destination subsequently return to homelessness.

### Enrollments by Project Type Returned to

- Street Outreach
- PH - Rapid Re-Housing
- Emergency Shelter
- PSH - OPH

**Why?** Returning to homelessness after being placed in a permanent housing situation is traumatizing for clients.

Efforts to make sure clients can maintain the permanent housing situation they are exited to should be prioritized. In addition to being a traumatic experience for clients, re-housing clients who could not maintain the permanent housing situation they were exited to represents resources spent on the same client that could have been used to place another client into permanent housing.

### Timeline of Returns to Homeless System
