# Data and Performance Management Meeting

# 3/9/23

- HMIS Planning
  - o The Committee provided feedback on trainings that would be beneficial for HMIS users.
- Homelessness Prevention Project Performance Reports
  - o The Committee reviewed highlights from the Homelessness Prevention Project Performance Report.
  - o The Committee agreed to change the thresholds for the following measures
    - Goal 6 – Help Adults Maintain or Increase their Income while Enrolled in the Project
      - Increased threshold from >=50% to >=55%
    - Goal 7 – Help Adults Maintain or Increase their Income as of Project Exit
      - Increased threshold from >=45% to >= 50%
    - Goal 10 – Ensure Clients do not Enter Homeless System after being Housed
      - Decreased threshold from <=15% to <=10%
      - This measure will not count clients returning to a Homelessness Prevention project as a return to homelessness.
- Next Meeting
  - o April 13th, 1:30 – 3:00 via Zoom
  - o Meeting ID: 857 7837 0017
