

# Orange County Street Outreach Goals & Outcomes

12/01/2023 to 11/30/2024

Street Outreach projects in the Orange County Continuum of Care (CoC) met **3 out of 4** thresholds as a project type.

# Goal 1 - Prioritize Clients Experiencing Literal Homelessness

## Goal 1 Scores

Threshold: 100%

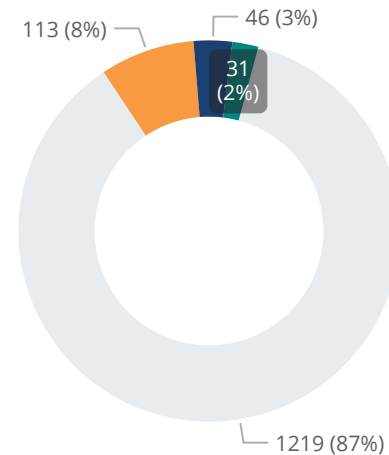

Project Type Score	Chronically Homeless	Veterans	Households with Children	Households without Children	Households with only Children
94%	100%	97%	94%	98%	49%
<i>n</i> = 24,485	<i>n</i> = 8,699	<i>n</i> = 516	<i>n</i> = 255	<i>n</i> = 18,018	<i>n</i> = 246

**Orange County CoC Goal:** 100% of heads of household enroll in Street Outreach projects from homeless situations.

**Why?** Enrolling clients from literal homeless situations is important because clients experiencing literal homelessness are among the most vulnerable of all Orange County residents experiencing homelessness.

## Enrollments by Non-Homeless Entry Category

- Missing
- Institutional Setting
- Permanent Housing Situation
- Temporary Situation

# Goal 2 - Decrease Length of Stay in Temporary Shelter & Outreach

## Goal 2 Scores

Threshold: ≤65 Days

Project Type Score	Chronically Homeless	Veterans	Households with Children	Households without Children	Households with only Children
55	80	80	77	68	6
<i>n</i> = 25,835	<i>n</i> = 9,364	<i>n</i> = 533	<i>n</i> = 826	<i>n</i> = 18,791	<i>n</i> = 247

**Orange County CoC Goal:** Street Outreach project enrollments are no longer than 65 days from project entry to project exit.

**Why?** Clients in Street Outreach projects are experiencing literal, unsheltered homelessness, which makes this population particularly vulnerable. Although the purpose of Street Outreach projects is to provide critical services to clients who are "unwilling or unable to access emergency shelter, housing, or an appropriate health facility," the ultimate goal of Street Outreach projects is to move people to sheltered or permanent housing situations.

## Enrollments by Length of Stay

## Goal 8 - Help Clients Exit to Successful Housing Situations

### Goal 8 Scores

Threshold:  $\geq 20\%$

Project Type Score	Chronically Homeless	Veterans	Households with Children	Households without Children	Households with only Children
21%	27%	30%	57%	27%	2%
$n = 23,044$	$n = 7,843$	$n = 452$	$n = 707$	$n = 16,194$	$n = 246$

**Orange County CoC Goal:** At least 20% of Street Outreach enrollments exit to a successful situation.

**Why?** Because clients in Street Outreach projects are experiencing literal, unsheltered homelessness, it is important to provide people with sheltered situations.

### Enrollments by Unsuccessful Exit Category

## Goal 10 - Ensure Clients Do Not Fall Back Into Homelessness After Being Housed

### Goal 10 Scores

Threshold:  $\leq 10\%$

Project Type Score	Chronically Homeless	Veterans	Households with Children	Households without Children	Households with only Children
7%	6%	7%	6%	7%	0%
$n = 904$	$n = 360$	$n = 71$	$n = 192$	$n = 698$	$n = 9$

**Orange County CoC Goal:** No more than 10% of clients who exit from a Street Outreach project to a permanent housing destination subsequently return to homelessness.

**Why?** Returning to homelessness after being placed in a permanent housing situation is traumatizing for clients.

Efforts to make sure clients can maintain the permanent housing situation they are exited to should be prioritized. In addition to being a traumatic experience for clients, re-housing clients who could not maintain the permanent housing situation they were exited to represents resources spent on the same client that could have been used to place another client into permanent housing.
