

Orange County Transitional Housing Goals & Outcomes

10/01/2024 - 09/30/2025

Transitional Housing projects in the Orange County Continuum of Care (CoC) met **2 out of 7** thresholds as a project type.

Goal 1 - Prioritize Clients Experiencing Literal Homelessness

Orange County CoC Goal: 100% of head of household enroll in Transitional Housing projects from homeless situations.

Why? Enrolling clients from literal homeless situations is important because clients experiencing literal homelessness are among the most vulnerable of all Orange County residents experiencing homelessness.

Goal 2 - Decrease Length of Stay in Temporary Shelter & Outreach

Orange County CoC Goal: Transitional Housing project enrollments are no longer than 180 days from project entry to project exit.

Why? Clients in Transitional Housing projects are experiencing literal, unsheltered homelessness, which makes this population particularly vulnerable. The ultimate goal of Transitional Housing projects is to move people to sheltered or permanent housing situations.

Length of Days to Permanent Housing Placement

Goal 5 - Ensure Projects Are Being Fully Utilized

Orange County CoC Goal: Transitional Housing projects have a unit utilization score of at least 80%.

Why? Projects should be close to full occupancy to ensure as many clients as possible are stabilized in housing situation.

Goal 6 - Help Adults Increase Their Income while Enrolled in the Project

Orange County CoC Goal: At least 15% of adults who were active during the reporting period in Transitional Housing projects with a length of stay of at least 365 days have increased their income during their project enrollment.

Why? Income is critical to maintaining most permanent housing situations. Clients receiving intensive service from Transitional Housing projects that necessitate lengths of stay of 365 or more days should receive services that help to increase their income.
